

1 1/2" Mono Lobe Pump

Pump model **MONOLOBI 60**

Equipped with speed reducer 1:10 + single-phase inverter

Motor power 0.75 Kw– three-phase, 2800 rpm

Inverter with **single phase** input

Pump in 316L stainless steel

Lever – Food Grade Plastic

Rotor -Food Grade Plastic

Swept volume per revolution 0.045 litres

Maximum pressure 10 bars

Minimum speed 60 Rpm

Maximum speed 330 Rpm

Maximum Flow Rate 700kg/hr

Mechanical seal in TuC-TuC

Inlet/outlet diameter 1 1/2"

Total weight 21 kg

Reversible pump

All materials used comply with food regulations Entirely polished
